

LOGO – CONVENTION LOWER AUSTRIA

IT IS NOT ALLOWED TO MODIFY THE CONVENTION LOWER AUSTRIA LOGO.
IT MAY ONLY BE USED IN THE PREDEFINED COLORS AND MUST NOT BE DISTORTED.

Standard size

Filename: NOEW_Logo_Convention_engl_allg

The basic logo is used for reproduction sizes of 12 mm (height) or larger—for example, on DIN A5 or larger covers, as well as on posters and banners.

The logo is vectorized, meaning it can be scaled infinitely without loss of quality.

Minimum size

Filename: NOEW_Logo_Convention_engl_klein

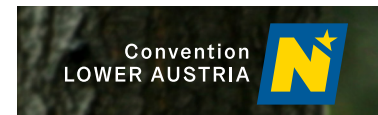

The minimum size is used when the reproduction size is 12 mm (height) or less—for example, on print products of DIN A6 size or smaller, in logo bars, and on the web.

The logo must not be reproduced at a width of less than 21.6 mm.

For use on a dark background, the logo is used with white lettering:
